Mission Statement/Program Purpose: Today's Guiding is for today's women and girls. Make friends for life, discover something new, and explore the world. It's about fun, friendship, and adventure!

Other information: Guiding today is a unique blend of the old and the new. It's fun, active, and relevant. It addresses the pressures that modern girls face by teaching them exciting skills in a safe environment. Girl Guides of Canada believes that when girls feel that they are good at something, they are more likely to feel good about themselves.

Other Info: In Guiding programs across Canada, girls are learning to camp, to horseback ride, to snowboard, to advocate for the environment, to plant trees, to enjoy the outdoors, to cook over a campfire, to sail, to sing, to act, to dance, to design and create clothing, to take digital photographs, to bake, to babysit, to perform basic self-defence moves, to stargaze, to use computers, and to investigate the areas science and technology. Our activity based, flexible program is appealing to girls with varying interests – we do a little bit of everything.
